

Download Children Of The Incubi II. Blood Mark

I was thrilled to receive my first proof copy of the second book in my dark fantasy novel series today! Blood Mark takes place in New Orleans, mostly, as Lily's devilish muses take her down south in a ruse she easily falls for, but she continues the Saga of Marduk and Amon despite Samael's trickery. In Book II of the Children of the Incubi series, Lily's muses drag her to New Orleans under a ruse she easily falls for, but Samael and Drake's motives are to persuade Lily to continue the Saga which begins in the year 2025. For other uses of the word Incubus, see Incubus (disambiguation). Children of the Incubi: II. Blood Mark is an eBook written by Lana M. Wiggins.
