Finally a subreddit for all things Wal-Mart. If you have anything interesting to post, Please do. NOTE: This sub isn't heavily moderated. I do my best to keep spam out and the trolls under the bridge. Photo used to be 3 Electronics 4 and Wireless 5 (only small pay difference between the 3) but when they converted to the 4 Paygrade scale, Photo got grouped with Paygrade A (1-3) while Electronics Wireless was B (4-5). Same thing happened to Bakery and Cake Decorator. Bakery was a 3 to A while Cake Decorator was a 4 to B. A popular job that is best suited for experienced retail workers at Walmart is the department manager position. With many valuable benefits and an excellent starting rate, these positions tend to fill quickly at most stores.
